

## Reagan Rulau Project cars for sale

From **Ron Cummings** ([ron6827@yahoo.com](mailto:ron6827@yahoo.com)):

"Reagan Rulau is very ill and wishes to help his sister Gail with funds.

Project cars for sale:

1. An Austin-Healey Sprite all apart.
2. A 1964 rusty Porsche 356 coupe
3. Max Balchowsky continuation/replicar Old Yeller 5 frame with a Corvette body.  
Reagan built this frame with Max Balchowsky's help.
4. The **Whitey Thuesen** "Solitary Wasp" Offy powered Sports Car Special. Bill Cantrell drove this car in the first Los Angeles Times Riverside USAC Grand Prix for Sports car in 1958. Cantrell raced the car in many Triple R races.

The drive train and nose piece are missing from the car.

Click on the first two links below.
